## **Food And Beverage Policy**

Renters are allowed to bring in outside food for events and One Longfellow Square will be happy to recommend caterers we have worked with in the past. However outside beverages are prohibited. All beverages for events must be purchased through the bar at One Longfellow Square to adhere to legal regulations and guidelines.

### **Open Bar**

If you wish for people to drink freely at your event, open bar options are available. The renter is responsible for payment of these costs. We offer three approaches, so you can provide an open bar for your event in a manner that is fit for you.

Price per head - Attendees drink freely while bar is open or during an allocated time at event

\$16 per head - beer, wine and non-alcoholic beverages only

\$22 per head - beer, wine, non-alcoholic beverages and liquor/cocktails

Drink tickets - Attendees receive a certain number of tickets (to be determined by renter) and have option to purchase drinks from bar after tickets have been utilized

\$8 per ticket - beer or wine (includes all draft and bottled beers, ciders and house wines)

\$10 per ticket - beer, wine or cocktails (includes selection of all drinks available at bar)

Tab - Possibly the most convenient and certainly the most popular approach. Simply leave your credit card with the bartender at the beginning of your event and close out at the end of the night. Discuss directly with the bartender to determine whether your tab will cover just beer, wine and non-alcoholic beverage purchases or a full range of our bar offerings.

**Service Fee Rates**

<b>Ticket Price</b>	<b>Service Fee</b>
\$10 - \$12	\$2
\$15 - \$22	\$3
\$25 - \$35	\$4
\$40+	\$5

Service fees are applied when One Longfellow Square manages pre-show ticket sales. The fee is in addition to the ticket price and can be paid by the renter or ticket purchasers accordingly. One Longfellow Square retains 100% of service fees to cover costs associated with ticket processing while renter retains 100% of ticket sales.
